2025 ANNUAL MEETING

The 2025 K'oyitl'ots'ina, Limited annual meeting of shareholders was held on June 7 at the Hughes Community Hall. We extend our heartfelt thanks to everyone who attended and to the community of Hughes for your warm hospitality. Your presence and participation helped make the event a meaningful and successful gathering!

BOARD ELECTION RESULTS

At the 2025 annual meeting, shareholders re-elected Geraldine Simon (At-Large, Seat E) and welcomed Harold Attla (Hughes, Seat F) and Edwin Bifelt (Huslia, Seat I) to the board of directors. Congratulations to our new and returning board members!

We also extend our deep gratitude to outgoing board members Darrell Vent, who served for six years, and Tanya Kaquatosh, who served from 2021-2025. Your dedication, insight and commitment have been invaluable to K'oyitl'ots'ina, and the shareholders, board and staff wish you both the very best in the years ahead.

A special congratulations goes to Tanya on her recent promotion to Chief Operating Officer at Doyon, Limited—an accomplishment we are all proud to celebrate!

RECORD NUMBER OF CANDIDATES

This year's board election saw a record number of candidates, with 12 shareholders—including several new Class B shareholders—stepping forward to serve. We're inspired by the energy, engagement and commitment shown by our shareholders, and we thank each candidate for their interest and participation.

ONLINE VOTING SUCCESS

This was the second year shareholders had the option to submit their proxy online or by mail—and we're happy to report that online participation increased significantly! The majority of voting shareholders chose to vote online.

Online voting offers a quick, easy and secure way to participate—plus it helps reduce mailing costs and speeds up processing. We're encouraged by this year's results and plan to continue offering this convenient option in future elections. We hope even more shareholders will take advantage next year!

HONORING THE LATE WILMER BEETUS

During a heartfelt moment at the 2025 annual meeting, K'oyitl'ots'ina honored the legacy of the late Wilmer Beetus, a former board member. A commemorative plaque was presented to both the local council and the Beetus family in recognition of his years of service, leadership and dedication to the corporation and our shareholders.

His contributions continue to be felt, and his memory remains a valued part of our story.

SUSHEILA KHERA, ENAA BASEE'

After 22 years of dedicated service, Susheila Khera has retired from her role supporting K'oyitl'ots'ina's government contracting efforts. Over the years, Susheila played a key role in the company's growth—from a small operation to one with a presence in multiple states and three foreign countries.

Thanks in part to her work, K'oyitl'ots'ina expanded its capabilities far beyond operations and maintenance services to include security, fire protection, engineering, mineral exploration support, construction, janitorial services, groundskeeping and more.

On behalf of the shareholders, board and staff: Enaa basee', Susheila. We thank you for your dedication and wish you all the best in your retirement.
